

Mission

Ministerio Somos Sal, Inc. exists to bring spiritual, emotional, and practical transformation through guidance, compassion, and education. We are a bilingual, community-based organization dedicated to restoring marriages and families, equipping individuals re-entering society after incarceration with life and workforce skills, and ensuring that no one faces life's challenges alone. Rooted in faith-based values, and open to people of all backgrounds and beliefs, we help participants create personalized life development plans that strengthen purpose, restore confidence, and guide them toward lasting change.
